Dear Sir/Madam,

We would hereby like to place on record our appreciation for the excellent level of service provided by **Trans International Logistik Sdn Bhd (TIL)** and their partner **Hansa Meyer Global Transport GmbH & Co. KG (HMG)** in their capacity as our nominated **Global Project Logistics service provider** for our **1st in Malaysia, PolymerLatex Nitrile Latex Global Plant** project.

The scope of work included international Air and Sea freight movements of general cargo & heavy lift pieces from the continents of Europe, Asia and USA, customs clearance and transportation to our site. Since the inception of the project in August 2008, the attention and execution to all aspects of our shipments has been without incident, swift and professional thus meeting the fast paced development of our plant; which we find praiseworthy.

TIL successfully applied their expertise as MIDA Tax Exemption consultants in tabulating, submitting and obtaining exemption approvals from the authorities. They also excelled in applying and obtaining import permits and governmental certification from regulatory bodies for the importation of our special equipments and machineries.

Please accept our appreciation for a job well done!

Thank you.

Yours faithfully,
PolymerLatex Sdn Bhd
